## ROYAL SCOTS CLUB

Dear Member to Be,

With shared values of dignity, respect and camaraderie, not only does our Club offer a community for people like you, but by joining us as a member, you'll also get a seat at the table for our rich calendar of events.

Exclusive members-only evenings, a welcoming social group of like-minded individuals and a series of exquisite dining opportunities await you at The Royal Scots Club. As part of our members' Club, you will relish having a relaxing place to escape the city rush. All for you.

Beyond the lively moments of everyday club activity, membership grants you personal access to exclusive areas within our beautiful Georgian building. This is your invitation to join the Club and experience all the benefits of our facilities for yourself.

Apply for membership before 28th February and we'll redact 50% from our joining fee. The countless benefits of being a Royal Scots Club member will be revealed every time you visit the Club.

Signed,

Guy Richardson  
Chairman, The Royal Scots Club
